FAST FLAP SYSTEM

RELEASABLE MUD FLAP HANGERS & MOUNTING BRACKET SYSTEM

Allows mud flap to release free without causing damage to the flap - hanger bracket - or equipment! Reinstalling the mud flap only takes seconds using a standard screwdriver. Fast Flaps secure mud flaps without creating any holes in the flap or sacrificing strength. It takes more than 500 lbs of pressure to detach a mud flap from the Fast Flaps stainless heat tempered spring steel bar, and the result doesn't damage the flap.

Fast Flap Hangers (Part # 10001563 - Legacy # 101227) contains: 4 – Stainless Steel Fast Flaps, 4 – RED Conspicuity Tape Sections, 4 – Clear Conspicuity Tape Sections

Mounting Brackets (Part # 10001460 - Legacy # 102406) contains: 1 each Driver/Passenger Side Mounting Arms, Hardware kit

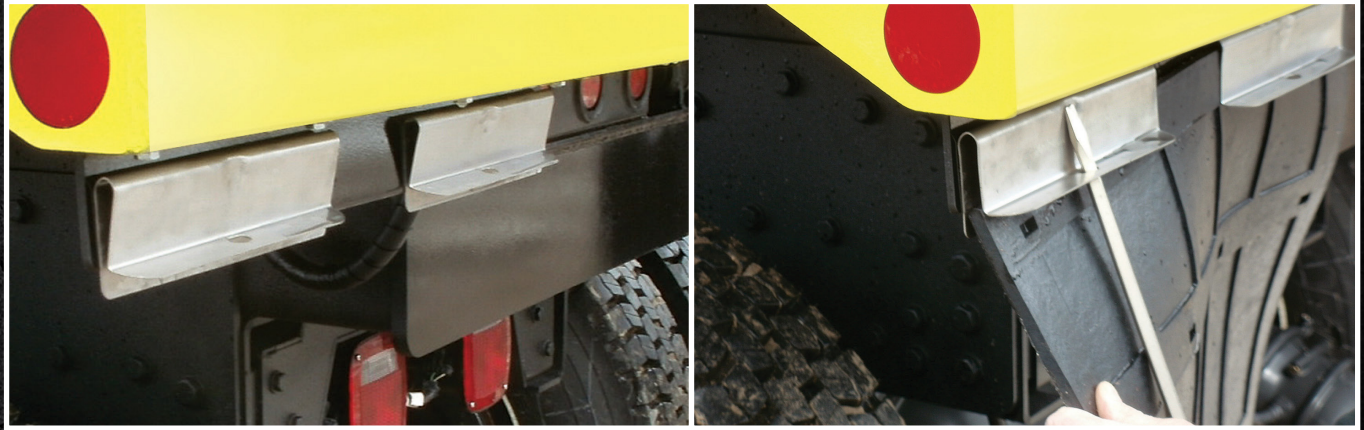

MADE IN

THE USA

Vocational Use (Shown on a dump truck):

DURABLE - All stainless steel clamp construction, heat tempered to spring steel for ultimate durability.

SECURE - Mud flap fastens in with over 500 lbs of spring steel clamping force.

SAVE MONEY - No damage, no shop labor, no down time and no DOT fines due to missing or destroyed mud flaps!

PROVEN PRODUCT - Used on owner operator, fleet, municipal and DOT vehicles throughout North America!

EASY INSTALLATION - Great for vocational and over-the-road applications with an easy installation wherever mud flaps are currently installed.

FAST FLAPS ARE TESTED & TORTURED™ AND COME WITH A LIFETIME GUARANTEE.
