Our truck accessories don't just belong in show-and-shines; they belong on the interstates and back roads of North America.

Accessories that improve the look and driving experience of a customized truck. From the front of the truck with fender guards, bug deflectors, license plate holders, to the cab and windows with kick panels, door window shades, to the rear of the truck with frame fillers, rear window guards and light boxes - all of our offerings visually enhance the truck, while also improving the overall experience for the driver.

High-quality stainless steel accessories provide more benefits than just improved appearance as these accessories are functional and protective improvements as well.

Panelite 304 products are made with the highest quality materials through an IATF 16949/ISO 14001 certified, state of the art manufacturing processes and therefore carry the most robust warranty in the industry.

Panelite 430 stainless-steel parts are covered by a one-year warranty from the date of shipment. This warranty applies to defects in materials and craftsmanship but does not cover damage resulting from improper installation. Negligence or failure to maintain the parts is not covered under this warranty. To maintain the warranty, ensure your stainless-steel accessories remain clean and waxed as outlined in the maintenance guidelines.

430 MAINTENANCE GUIDELINES.

INSTALLATION

KIT

Allows for the installation of existing W990 mid-roof visors onto Kenworth T680, T880 or W990 mid-roof trucks without an OEM sunvisor. Will work on T680 MLU/Next Gen model - except those with A-pillar turning vanes due to interference.
